I hope you enjoy walking through this very detailed abandoned city. The goal is to defeat ender dragons by plundering breasts all around the map to survive the zombie apocalypse. The police station is intended as one of the safe zones. It has protection from fences and has strength beacons. There is also internal police gear that was very overwhelming as beginner gear. There are breasts around the city like these things, each with a different booty. The higher it is, the harder it is to find better loot. There is an apartment in one of the skyscrapers. Blocks are collected from different boxes. The map plays in spectator mode, so you can build this location. This means that you are forced to build your end portal in the apartment.
